Subject: Administrative Record for the West Lake Landfill

Hi Christel-

Thank you for your time this morning discussing the Administrative Record (AR) for the West Lake Landfill.

As I mentioned we are an EPA subcontractor. We have a task order from EPA to inventory the West Lake AR documents currently held in the St Louis County Library.

If I understand, you indicated that some of the records are held at the Main Library Headquarters (1640 S. Lindbergh) and some are held at the Bridgeton Trails Branch Library.

We would like to review the materials. Thank you for agreeing to meet with me and team member next Wednesday, August 26, 2015 at 1:00 PM at the Main Branch.

Please let me know if you have any questions or need any additional information.

Thanks!
